

Are you ready for Your Marketing Budget in 2012?

BOSNIAN RADIO PROGRAM

RADIO 202 on 95.5 FM have few reasons why we should be included in your budget..

WE'RE ONLY BOSNIAN MEDIA IN UTICA and Community is listening

Over 8,000 Bosnians in Utica/Rome/Herkimer/Oneida area waiting to hear about you, your service, your product or your information.

We are excited to put together an advertising rates that will help your business beat your competition!

Want to place an MP3 Advertisement on our Radio Show? Don't have your own MP3 advertisement but want to advertise in our show? We can make one for you! Send us information about your store, website, product, etc. and we will create a Commercial for you! It would be rare to find such great pricing for advertising too.

Our Radio advertising opportunities will:

- Drive local customers (Bosnian population over 8,000) to your website and to your storefront.
- Provide value to your customers (information at their convenience)

You will receive excellent value for your advertising dollar.

Online advertising opportunities include:

- Display Ads
- Web Streaming

Increase the strength of your brand with our listeners and in the local community, and speak directly to our radio station' demographic by advertising your business on our website. Please contact us if you would like more information on these amazing advertising opportunities.

My name is Nedim Mujic (Radio Host) and I am a professional you can count on. Please check included rates in this Letter (it's a special) just for 2012 if you go for 12 months with us. And YES you can compare with existing one on our webpage and you'll see the difference.

HUGE SAVINGS. Our website is www.radio202.com

Thank you / Nedim Mujic _____
